9 The Govt of Saurashtra have asked whether Sri S. Raghavachar, Retd Dy. comptroller is willing to accept an appointment in that Govt on a pay equal to the last pay drawn by him plus 25% minus the amount

the amount of pension is calculated to him.

From Sri Raghavachari's letter it may be seen that he was drawing a salary of Rs 780 (Rs 600 + 180) excluding dearness allowance and rent free quarters and free lighting and water. He now states that on this basis the proposed pay will be Rs 975/- (Rs 780 + 25%) besides dearness & house rent allowances.

10. Under Art. 26, H.S.R. "Pay" means monthly substantive pay. It does not include any allowance Sri Raghavachari, at the time of his retirement, was drawing a pay of Rs 600/- As the Govt. of Travancore are agreeable to allow only a pay equal to the last pay drawn, Sri Raghavachari may have to be allowed only Rs 600 + 25% and not Rs 780 + 25% as proposed by him. The compromise to Govt will, if considered necessary, be requested to intimate the pay last drawn by ~~him~~ Sri Raghavachari.

11. As regards the deduction of pension, Sri Raghavachari quotes Arts. 338 and 339, H.S.R according to which the pension is not kept in abeyance and is permitted to be drawn in addition to pay. This question may perhaps be got examined

20 It is stated by the Comptroller that the pay of Sri. S. Raghavachar at the time of his retirement was Rs 600/p.m. in grade Rs 500-50/2-750 and that he was in receipt of a local allowance of Rs 180/- p.m. plus high price allowance of Rs 40/- p.m.

21 The local allowance of Rs 180/p.m. which Sri. Raghavachar was getting in Togo, is stated that it cannot be regarded as part of his pay and that the

22 The Comptroller states that the question of deduction of his pension allowed in this State from his ~~pay~~ re-employment pay in the Govt of Saurashtra does not seem to arise for consideration as the re-employment is not in this State but in another Govt and adds that the pension he is now in receipt of need not be deducted from the pay he may get after employment in the United State of Saurashtra.

23 The union of Saurashtra has ~~offered~~ offered a pay equal to the last pay drawn by Sri. Raghavachar, Viz; Rs 600/p.m. plus 25%. minus the amount of pension he is now drawing in this Govt.

24 The Comptroller is of opinion that the pension of Sri. Raghavachar need not be deducted from the pay he may get after employment in that Govt.

Dear Sir,

With reference to your letter No.9962/C.B. dated the 1st instant, regarding my willingness to accept a post under the Government of the United States of Saurashtra, I write to state that I am willing to accept the appointment on the terms proposed in your letter, namely, on a pay equal to the one last drawn by me in Mysore plus 25%.

Before my retirement, as Chief Auditor of the Jog Power Project (now called Mahatma Gandhi Hydro-Electric Project), I was drawing a salary of Rs.780/- (₹600+180) excluding dearness allowance and rent-free quarters and free lighting and water. On this basis the proposed pay will be ₹975/- (₹780+25%) besides such dearness and house-rent allowances as may be admissible under the Saurashtra Government, to other officers of this grade.

My pension is Rs.280-13-0, but after the commutation of ₹50 out of it (which I have applied for separately) is sanctioned, it will be Rs.230-13-0. I may add in this connection, that under articles 338 and 339 of Mysore Service Regulations, even if re-employment is under the Mysore Government, a pension need not be kept in abeyance and can be permitted to be drawn in addition to the full salary of the post of re-employment. In view of this and also the fact that the re-employment is under a different Government, I venture to hope that the proposed deduction of the pension may not be insisted on by the Saurashtra Government, if the above rule of Mysore Service Regulations is pointed out to them.

I may be permitted to enclose a memo. showing my qualifications and experience for transmission to that Government if need be.

I may add in this connection, that under articles 338 and 339 of Mysore Service Regulations, even if re-employment is under the Mysore Government, a pension need not be kept in abeyance and can be permitted to be drawn in addition to the full salary of the post of re-employment. In view of this and also the fact that the proposed deduction of the pension may not be insisted on by the Saurashtra Government, if the above rule of Mysore Service Regulations is pointed out to them.

I may be permitted to enclose a memo showing my qualifications and experience for transmission to that Government if need be.

I await your further communication in the matter.

CHIEF SECRETARY 27 JUN 1949 55 GOVT. OF MYSORE

Sir,

With reference to your letter No.10340/C.B. dated 13-6-1949 forwarding for my remarks a copy of the letter received from Sri.S. Raghavachar, B.A., Retired Deputy Comptroller stipulating certain conditions for accepting a post in the United States of Saurashtra, I have the honour to state as follows:-

The pay of Sri S.Raghavachar, Permanent Deputy Comptroller at the time of his retirement was Rs.600/- in the grade(Rs.500-50/2-750). He was also in receipt of a Local Allowance at 30% of his pay viz., Rs.180/- p.m. plus High Price Allowance Rs. 40/- p.m. The Local Allowance he was in receipt of, while serving in Jog, was on account of the unhealthiness of the locality and that cannot be regarded as part of his pay. Hence the 25% increase offered by the Saurashtra Union is to be taken with reference to his pay i.e. Rs.600/- and his salary or pay in the United State of Saurashtra will be Rs.600 plus 150=750/- per mensem. He will be eligible to get the High Price Allowance and other Allowances, if any, admissible to officers of his status in that Government.

2. The question of deduction of his pension allowed in this State from his re-employment pay in that Government does not seem to arise for consideration as the re-employment is not in this State but in another Government; even if it were in this State, Arts.338 and 339

of the M.S.R. provide for the retention of one's pension in addition to the re-employment salary. In my opinion, Sri Raghavachar is entitled to retain the pension he is in receipt of under the Mysore Government and get in addition his re-employment Salary in the United State of Saurashtra. In effect, the appointment offered to him cannot be considered as re-employment at all, as he did not retire from service from that Government. This procedure has been followed in the cases of several retired employees of this Government employed in the Indian Provinces. Therefore, the pension he is now in receipt of need not be deducted from the pay he may get after employment in the United States of Saurashtra.

Yours faithfully,

M Srinivasan

Sub:- Appointment of Sri S. Raghavachar, Retired Deputy Comptroller.

...

Sir,

Reference your letter No. 789/C.B. dated the 23rd July 1949.

2. I am to state that the Government of Saurashtra have fixed the pay of retired officers of other Governments employed in Saurashtra on the basis of the last drawn pay plus 25% minus pension being drawn. It is not the intention of this Government of course, to stop the pension of such retired personnel. The fact that the penison is not a charge on the Saurashtra Government is not material as the principle enunciated above is only a basis for calculating the pay to be given in Saurashtra to retired personnel.

I regret it will not be possible for this Government to consider what pay other retired officers are getting in other Governments. In view, however, of the suitability of Mr. S. Raghavachar for the post of the Deputy Accountant General, the Saurashtra Government is willing to offer him a pay of Rs. 600/- which is the last drawn pay of Mr. Raghavachar. He can, of course, draw his pension also from your Government. Mr. Raghavachar will also be entitled to get dearness allowance at the rate of Rs. 70/- per month. I shall be grateful if you can send me an early reply about Mr. Raghavachar's willingness to accept the post on the above conditions.
